- In thinking about the entire selling process, what did you appreciate most about our services and why were they of value to you?
We appreciated how you took all the work out of our hands. Your team is very professional and thorough.
- Were you pleased with Debbie Joens and the service she provided? Please comment.
Yes, she did an excellent job and was very accessible.
- Did you feel like The Hard Working Nice Guy showed care and concern for your needs and that you received "Preferred Client" treatment throughout the selling process from David and his team? Please comment.
Yes. From previous experience, we already knew that David treats every client that way. This was one reason we hired him.
- Were the vendors (Roofers, Pressure Washers, etc) we recommended beneficial? Please comment.
We used the carpet guy you recommended and loved him. We used the roofer you recommended and had problems, but they were fixed.
- At any time, was there anything about the treatment you received, either from The Hard Working Nice Guy's team that caused you to feel uncomfortable? Please comment.
We had to fix the house a bit more than I wanted to (Debbie) & lower the price a bit further than I wanted to (Debbie), but everything worked out well in the end.
- When you think of The Hard Working Nice Guy selling real estate, what's the first thing that comes to mind?
Your name says it all... nice, hard working, very thorough!
- Will you use The Hard Working Nice Guy's Team for your real estate needs in the future?
We are hoping not to have to move again, but if we do, we will definitely think of David.
- Chris & Debbie, will you actively relate the experience you had with David's team and introduce us to your friends and family members, knowing your endorsements are the lifeblood of our business?
Yes! The only problem is most of our friends who have moved use other friends who are realtors.
